Dear Parents,

We are writing this as the re-registration papers go out to our families.

What we want our families to be aware of is this ---- this year, along with having our families on FACTS, this is the year that we are adhering to a policy which will help us in establishing the grades for next year. In the past, even though we put a date on the return of re-registration papers, we continued to take re-registrations throughout the summer and as a result we made decisions about classrooms late into summer. No longer can this be done.

**Re-registrations MUST be returned by May 1<sup>st</sup>** and immediately, upon knowing this count, we shall be making decisions regarding the number of classrooms we shall be needing next year.

As you are doing this, at the same time we are registering new students as well. Until May 1<sup>st</sup>, St. Laurence students have a priority. I say this so that you are aware of the fact, that after May 1<sup>st</sup>, registrations, old and new, will be on a waiting list if needs be – all depending on the number of registrations and re-registrations we receive.

**We are having an Open House on Tuesday, March 13, 2018 from 5:00-6:00 pm.**

**Another Open House will be on Sunday, March 18, 2018 from 11:00 – 1:00.**

Of course, our goal is to have our classes filled to capacity and overflowing. To this end, we encourage all of our families to help us advertise all the good that is happening in St. Laurence School. Tell the world about us and encourage families to tour our school.

PLEASE help us to have our classes “filled to the gills.” If you have ideas what we can do to make this happen, let us know.

But please, be sure you re-register on time – by **May 1<sup>st</sup>**.

Thank you!!!!!!

Father Sean O’Neill/Sister MaryAnne
